### JACK NATHAN HEALTH CHOOSES ZOOMMED'S ZRx PRESCRIBER FOR THE WALMART MEDICAL CLINIC NETWORK

(Montreal, Canada) - June 10, 2009 - ZoomMed (TSX-Venture Exchange: ZMD) - developer of the «ZRx Prescriber» is proud to announce the signature of an important Agreement with «Jack Nathan Health», which offers a wide range of services across Canada such as; Family Practice Medical Clinics (Jack Nathan Medical Clinics), Electronic Medical Record (EMR/EHR) Deployment & Migration, Clinic Relocation Services and more.

«This agreement between ZoomMed and Jack Nathan Health, aims to exclusively implement the ZRx Prescriber solution into all Jack Nathan Medical Clinics», stated Mr. Yves Marmet, President and Chief Executive Officer of ZoomMed Inc. «With the impressive partners of Jack Nathan Health, such as Walmart Canada, large doors are now open for us», added Mr. Marmet.

«After evaluating many electronic Prescriber solutions, we opted for ZoomMed, which developed, according to us, the most comprehensive and user-friendly electronic prescriber actually available for Canadian physicians» said Mr. George Barakat, President and Chief Executive Officer of Jack Nathan Health. «The ZRx Prescriber is an addition to our unequalled product and service offering to our physicians, in line with our commitment to improving access to public health care for Canadians» added Mr. Barakat. «We will use it, among other things, as we deploy medical clinics throughout the Walmart Canada Store Network of which Jack Nathan Health is the medical and dental licensee» concluded Mr. Barakat.

#### About ZoomMed and the ZRx Prescriber

ZoomMed's developed the ZRx Prescriber, a technological innovative Web application that enables physicians to use a wireless device, such as the iPod Touch™, iPhone™, other PDA's or computers, to write and rapidly deliver scripts. The ZRx Prescriber is quick, efficient and intuitive. Since it is a stand-alone product, it can easily be integrated to any Electronic Medical Record application (EMR).
