### ZOOMMED SIGNS A COLLABORATION AGREEMENT WITH SOFT INFORMATIQUE

**Brossard, May 12, 2008** – M. Yves Marmet, President and Chief Executive Officer of **ZoomMed** Inc. (TSX-V: ZMD), is very proud to announce that the corporation signed, on May 6, 2008, a collaboration agreement with **SOFT Informatique inc.**, which has been providing, for more than 20 years, Clinical Management Systems to more than 9,000 Physicians spread among 1,300 customers throughout Quebec.

The agreement aims at facilitating the exchange of information between the data-processing applications of the two companies and that, in order to offer better integrated services, for the benefit of the customers and their patients.

Mr. Marmet declared: "This transaction marks an important step in our Deployment and Marketing strategy of our products in Quebec. With this agreement, **ZoomMed** will have access to SOFT Informatique actual clients, that is to say, about 9,000 Physicians throughout Quebec".

According to Mr. Renaud Lefrançois, Executive Vice-President of SOFT Informatique; "We are proud to collaborate with **ZoomMed** in order to provide flexible solutions. This agreement will allow us to increase our customer base by offering our solutions to **ZoomMed's** customers".
