Mr. Boivin is also socially involved with various professional associations, non-profit organizations and charitable foundations.

Product

ZoomMed has developed a new electronic tool, aiming at changing the way drugs are prescribed and dispensed throughout Canada. The "ZRx Prescriber" allows a doctor to fill out and electronically send prescription information to pharmacists, allowing them to view this information on-line and to confirm it with the signed prescription. This user friendly Web product, designed for doctors, uses the latest "Pocket Pc" technologies.

For more information on **ZOOMMED** or the "ZRx Prescriber", please visit our website: www.zoommed.com.
