ZOOMMED: PURCHASE OFFER FOR «ZOOMMED EQUIPMENT» DIVISION

Montreal, Canada, May 1st, 2009 - **ZoomMed** Inc (TSX VENTURE: ZMD). Mr. Yves Marmet, President and Chief Executive Officer of **ZoomMed** announces the Corporation signed, on April 30, 2009 a Purchase Offer Agreement regarding the acquisition of all the assets of «**ZoomMed Equipment**», which sells supplies and paramedical equipments to the public in general and Healthcare agencies, including its franchise network which operates under the name **ZoomCité**.

«**ZoomMed Equipment**'s assets represent only 2.5% of the total assets of the Corporation. We have accepted this offer in order to focus our efforts and resources, as well human as financial, on the «**ZRx Prescriber**» development and marketing, which proves to be, since its introduction, a stunning success throughout Canada» said Mr. Yves Marmet. «We are convinced that this transaction will benefit the Corporation and all its Shareholders» added Mr. Marmet.

The transaction is conditional to:

- The completion of a Due Diligence by the buyer; and
- The approbation of the Regulatory Authorities.

About the ZRx Prescriber

The unique highly adopted e-Prescriber, **ZoomMed**'s **ZRx Prescriber** is a technically innovative Web application that enables physicians to use wireless devices such as the iPod Touch™, iPhone™, other PDA's or computers to write and rapidly deliver scripts. The **ZRx Prescriber** is quick, efficient and intuitive. Since it is a stand-alone product, it can be easily integrated into any Electronic Medical Record (EMR).
