REMINDER - Notice to the media and investors: ZoomMed Inc to demonstrate and officially launch the ZRx Prescriber, a medical innovation that has been highly anticipated by physicians, pharmacists and pharmaceutical companies

MONTREAL, October 26, 2006 - ZoomMed Inc. (TSX-V: ZMD) is proud to announce the official launch and demonstration of its all new ZRx Prescriber at the firm's annual assembly, to be held on October 27, 2006, at 11:00 a.m. at the Queen Elizabeth hotel.

Date: Friday, October 27, 2006

Place: Queen Elizabeth Hotel, Saint-Laurent Room

Time: 11:00 a.m.

The ZRx Prescriber is a medical innovation that makes it much easier for healthcare professionals to write prescriptions. Following over 12 months of research and development and the successful completion of pilot projects, **ZoomMed** is now ready to officially launch its new product, which has been highly anticipated by physicians, pharmacists and pharmaceutical companies.

Yves Marmet, President and CEO, will present this innovative new tool and outline its target markets. Investors and the media are also invited to try the ZRx Prescriber on site.
